

# CELEBRATE EARTH DAY AT THE LIBRARY

4/16/24

@the Library

K-2

Dear Families,

We invite all K-2 students to join us in the library for a fun Earth Day Activity on April 16th. Students will be staying after-school until 3:10. During that time, they will be learning about the importance of repurposing materials. Then they will repurpose drink containers to make bird feeders. If you have well cleaned plastic or cardboard drink containers we are looking for donations. Please send them to the library before 4/16.

Any interested students will need to complete the permission slip below and return it to the library by 4/12. Due to the prep and materials needed for this event, unfortunately we cannot accommodate late sign-ups.

**PLEASE RETURN TO THE LIBRARY BY 4/12/24**

Student name: \_\_\_\_\_

Teacher Name: \_\_\_\_\_

I allow my child to stay after-school on April 16th, to attend the Earth Day program in the Library: \_\_\_\_\_

(parent signature)

My child will be:

\_\_\_ riding the late bus home.

\_\_\_ be picked up after-school by: \_\_\_\_\_
